Achieving success in our safe and caring schools

A Message from the Superintendent

Knowing that a school is safe is a key foundation for a quality learning environment. Chinook's Edge works very hard to create and maintain a variety of safety initiatives. For example, our Safety Manager has regular site visits at each of our schools to ensure staff, structures and processes meet the highest standards. Our staff are trained and comfortable with the division's Violence Threat Risk Assessment protocols, our Emergency Response Plan, and our procedures for dealing with a variety of emergent situations.

Our commitment to ensuring that safety is everybody's business has helped to create a culture of caring and trust in our schools. Our most recent data shows that 92 percent of our students feel welcome at school, 89 percent state they are encouraged to do their best at school, 87 percent feel the school staff cares about them and 86 percent feel safe at school.

From breakfast programs to athletic leagues, and exciting clubs to engaging classrooms, our students are well cared for from the time they arrive to school to the time they go home each day. Everyone at Chinook's Edge is working to bring our Mission and Vision to life by ensuring we are a school division full of safe, happy, healthy students and staff.

Kurt Sacher
Superintendent of Schools
